

BASIL KARAMPELAS

bkarampelas@scpllc.com

ENVIRONMENTAL/CLEANTECH EXPERTISE

- Served as CEO of the largest solar panel manufacturer in Europe, executing a financial and operating restructuring of the company that involved renegotiating over \$250 MM in debt, reducing SG&A and rebuilding the sales pipeline of the company.
- Served as CFO and acting CEO of a biodiesel company in Alabama, including taking the company through a successful Chapter 11 bankruptcy process culminating with the sale of the company's production assets.
- Served as President of a bio-based chemicals manufacturer in Georgia, leading two successful capital raises and growing the company from 15 to 120 employees in three years. Oversaw the growth of the company as it expanded operations in Brazil, Greece and Romania and built two production plants in the US.
