## RESTAURANTS & FOOD SERVICES EXPERTISE

- Interim Chief Financial Officer to an ethnic grocery store chain. Key responsibilities included cost reductions, vendor relations and cash management. He implemented a \$12 million restructuring within a three-month timeframe which stabilized the business and allowed for a sale and subsequent recapitalization.
- Financial advisor to a diversified logistics company where he provided buy-side diligence and transactional support which resulted in the acquisition of the assets of a large-scale food distribution company through a UCC Article 9 sale.
