HEALTHCARE

- Deputy CRO to a pharmaceutical company leading the Company Chapter 11 Subchapter V proceedings, including a \$363 asset sale and plan of reorganization.
- Chief Restructuring Officer to a clinical-stage biopharmaceutical company which filed for Chapter 11 as a lawsuit with a former co-development partner was coming to a head. SCP led a settlement negotiation to resolve the litigation and completed an orderly wind down of the business, which resulted in full repayment to the pre- and post-petition lenders.
- Financial Advisor to the senior lenders of a multi-location continuing care retirement community.
- Financial Advisor to a \$350 million, 88 location nursing home company. Created and monitored the 13-week cash flow model and actual vs. forecast reporting and variance analysis, prepared weekly borrowing base estimates, and created a 5-year strategic business plan, including an integrated financial model for 88 facilities and 19 holding companies and strategic imperatives.
