- Financial advisor and part of team that served as Chief Restructuring Officer to agriculture and commodities company during its Chapter 11 bankruptcy restructuring. Executed an orderly sale of all inventory, monetized certain contract assets, and sold individual operating facilities via court-approved Section 363 asset sales to maximize recoveries.
- Part of a team that served as Chief Restructuring Officer and financial advisor to a cooperative of cranberry growers in Wisconsin, which successfully implemented a Chapter 11 Plan of Reorganization. SCP's solutions identified and implemented operational changes to reduce costs by over 20% and improve production yields by over 10%, while providing secured lenders full recovery. The transaction also received a Turnaround Award by The M&A Advisor for restructuring of the year.
- Financial advisor to agriculture business in \$65 million refinancing. Developed and implemented cash management solution to allow company to negotiate forbearance with existing senior secured lender, and manage through liquidity shortfall.
