

ROGER GOROG

Senior Director

rgorog@scpllc.com

BUSINESS SERVICES EXPERTISE

- Advised one of the largest national mobile dentistry providers in preparation for covenant default negotiations with their lenders. As part of the process he developed proforma financials that depicted various operational restructuring scenarios. Additionally he assisted senior management with profitability analysis by market and liquidity and cash management.
- Hired by the bank to review liquidity and financial projections and help negotiate an amended credit agreement for a mink pelt auction house cooperative in Seattle, WA.
- Conducted an assessment and provided financial advisory services to a private equity company that led to their acquisition of a health care information technology company.
