

TIM BOSSIDY

Managing Director

tbossidy@scpllc.com

CANNABIS

- Interim management to a publicly-traded, vertically-integrated multi-state operator; ongoing case with significant results in a short period of time.
- Interim management, advisory and financial modeling services to a cannabis company to organize and re-build finance and accounting departments, forecast cash flows for retail and cultivation entities, implement financial controls and prepare company for a capital raise.
- Financial advisory to a cannabis company to implement cash management tools, oversee significant cost improvements, improve working capital and borrowing base management and repair lender relationship through improved forecasting.
- Financial advisory to a lender with a distressed cannabis loan. Provided analysis of underlying collateral and delivered loan work-out strategy.
