FOOD & AGRICULTURE EXPERTISE

- Part of a team that served as Chief Restructuring Officer and financial advisor to a cooperative of cranberry growers in Wisconsin, which successfully implemented a Chapter 11 Plan of Reorganization. SCP's solutions identified and implemented operational changes to reduce costs by over 20% and improve production yields by over 10%, while providing secured lenders full recovery. The transaction also received a Turnaround Award by The M&A Advisor for restructuring of the year.
- Financial advisor to agriculture business in \$65 million refinancing. Developed and implemented cash management solution to allow company to negotiate forbearance with existing senior secured lender, and manage through liquidity shortfall.
