

JOHN HALLORAN

jhalloran@scpllc.com

TECHNOLOGY & TELECOM EXPERTISE

- Underwrote fund commitment in growth equity fund with more than six existing portfolio assets in subscription software sector; underwriting included probability weighted expected returns modeling to understand risk-reward based on company-level business plans, subsequent capital raise activity, and company financial performance.
- Partnered with London-based cyber security venture capital specialist to underwrite fund commitment and series of five co-investments completed alongside LPAC seat; underwrote concentrated co-investment position that subsequently completed SPAC merger transaction to access public market funding sources.
