

Carl Moore  
Managing Director

cmoore@scpllc.com

## TRANSPORTATION & LOGISTICS

- Served as Interim Management for a Dallas-based distributor of fuel and lubricants. The client faced significant pressure from fluctuating commodity prices, customer concentration in oilfield service clients, and a thinly-staffed central management team. SCP improved reporting and internal controls, led communications and negotiations with the client's main vendor and asset-based lender, and assisted the sourcing and onboarding of a permanent CFO.
- Chairman of the Board of Chauffeured Transportation Portfolio Company. Took an operational role in efforts related to the transition from an independent operator to an employee business model and related litigation in several jurisdictions, as well as a comprehensive strategic and SG&A overhaul resulting in significant EBITDA improvement.
